Welcome

This is an important document.

You should read it carefully before making a decision in relation to the World Debit Mastercard insurances explained in it. It will help you decide whether the insurances will meet your needs and you can use it to compare with other options you may be considering.

Any recommendation or opinion in this document is of a general nature only. It does not take into account **your** objectives, financial situation or needs. **You** need to decide if the insurances are right for **you**.

This booklet contains important information about the insurer, Zurich Australian Insurance Limited (ZAIL), ABN 13 000 296 640, AFS Licence Number 232507 (referred to as "**we**, **our** and **us**" in relation to the insurance), its agent Cover-More Insurance Services Pty Ltd ABN 95 003 114 145, AFSL 241713 (Cover-More) as well as the **Commonwealth Bank** and other relevant persons.

The **Commonwealth Bank** is not the insurer of the insurance referred to in this booklet. It and any of its related corporations do not guarantee, and are not liable to pay, any of the benefits under these covers.

Things you need to understand

- The **Included Cover** is available to **cardholders**, who meet the specified eligibility criteria for the covers, under a **Group Policy** entered into by the **Commonwealth Bank** with **us**, not with **you**. See pages 80-81 for details of this arrangement.
- The **Overseas Travel Policy** and **Upgrades** is a contract of insurance between **us** and **you**.
- Terms, conditions, limits and sub-limits apply – that is why it is important **you** read this booklet carefully.
- Exclusions apply to restrict, limit and/or exclude cover. Read the General exclusions on pages 33-39 and the exclusions under each benefit section carefully to see what **we** don't cover.
- Cover is only provided during the **period of cover** – which differs for each type of cover. Please note there is limited cover for COVID-19.
- For each journey **you** can only activate one **Overseas Travel Policy**.
- Certain words have special meanings and are shown in bold. See Words with special meaning, pages 25-32.

  For example **you**, **your** or **yourself** means any of the following if they are eligible for the cover:

  - The **cardholder**
  - The **cardholder's family**.

Helpful tips

Safety of your belongings

- Keep **valuables** with **you** rather than checking them in with the transport provider as they are not covered by **us** when checked-in (unless security regulations meant **you** were forced to check them in).
- Do not leave **valuables** in a motor vehicle at any time as they are not are not covered by **us**.
- Items left **unattended** in any motor vehicle (for example, a car, campervan or motorhome) or towed land vehicle during daylight hours are not covered, unless they are stored in the **concealed storage compartment** of the locked motor vehicle or towed land vehicle and forced entry was gained. The most we will pay is $2,500 in total for all items.
- Don't leave items **unattended** in ANY motor vehicle or towed land vehicle overnight, as they're not covered.
- Do not leave **your** belongings **unattended** in a **public place**. **Unattended** belongings are not covered by **us**.
- Remember to check for **your** items. **We** do not cover items left behind in any accommodation after **you** have checked out, left behind in any aircraft, ship, train, tram, taxi or bus, or left behind, forgotten, misplaced or walked away from in a **public place**.
- Report any loss or theft to the police within 7 days of when **you** first become aware of the incident, as a police report is required so **we** can validate that the incident occurred. Also, **your** belongings may have been handed in and may be recovered or the police may have a chance to follow up an alleged crime.
- Additionally, **we** require the relevant report from the related party. For example, an Airline Property Irregularity Report (PIR) is also required if **your** items were lost or stolen when travelling with an airline.
- If **you** are unable to provide **us** with a copy of the relevant report, **you** must provide **us** with a reasonable explanation and details of the time and place **you** made the report, including their contact details.

Cruising in Australian waters

Cover is included under *Overseas Medical*, *Benefit 2: Overseas Emergency Medical and Hospital Expenses* if **you** are travelling on a **domestic cruise** in **Australian** waters and the **cardholder** has activated their **Overseas Travel Policy**. For a **domestic cruise**, not part of an international **journey**, please choose 'Pacific' as **your** destination during activation.

Please note: There is no cover for claims arising from, or related to, COVID-19 whilst travelling on a cruise.

Reciprocal Healthcare Agreement

The Australian Government and the governments of certain countries have an agreement where Australian residents are provided with subsidised essential medical treatment (which, in turn, minimises **your** claim with **us**). The agreement is known as a Reciprocal Healthcare Agreement (RHA). Please visit humanservices.gov.au/medicare or dfat.gov.au for details of RHAs with **Australia**.

Duty to take reasonable care not to make a misrepresentation

This is a consumer insurance contract under the Insurance Contracts Act 1984 (Cth) (Act).

Under the Act, **you** have a duty to take reasonable care not to make a misrepresentation to **us**.

This duty applies whenever **you** enter into, renew, extend or vary this contract of insurance. In all cases, **we** will ask **you** questions that are relevant to **our** decision to insure **you** and on what terms.

It is important that **you** understand **you** are answering **our** questions in this way for Yourself and anyone else that **you** want to be covered by the contract.

When **you** answer the questions **you** must give a true and accurate account of matters. **Your** response should tell **us** everything that **you** know about the question because **your** response is relevant to whether **we** offer **you** insurance and the terms **we** offer **you**.

A misrepresentation made fraudulently is made in breach of the duty to take reasonable care not to make a misrepresentation.

Circumstances relevant to your duty

Whether or not **you** took reasonable care not to make a misrepresentation will be determined with regard to all the relevant circumstances.

If **we** know, or ought to know about **your** particular characteristics or circumstances, **we** will consider these to determine if **you** took reasonable care not to make a misrepresentation to **us**.

We may consider the following matters to determine if **you** took reasonable care not to make a misrepresentation to **us**:

- the type of consumer insurance contract in question, and its target market
- explanatory material or publicity produced or authorised by **us**
- how clear, and how specific, the questions **we** asked were
- how clearly **we** communicated to **you** the importance of answering those questions and the possible consequences of failing to do so
- whether or not an agent/insurance broker was acting for **you**, or
- whether the contract was a new contract or was being renewed, extended, varied or reinstated.

You are not to be taken to have made a misrepresentation merely because you:

- failed to answer a question, or
- gave an obviously incomplete or irrelevant answer to a question.

Consequences if you fail to take reasonable care and do make a misrepresentation

If **you** do not take reasonable care when answering **our** questions and the result is **you** do make a misrepresentation to **us**, **we** may cancel **your** contract or reduce the amount **we** will pay **you** if **you** make a claim, or both.

If **your** failure to take reasonable care not to make a misrepresentation to **us** is fraudulent, **we** may refuse to pay a claim and treat the contract as if it never existed.

Policy conditions

1. Excess – what you contribute to your claim

The excess is the first amount of a claim that **we** will not pay for. It is deducted from **your** claim if it is approved by **us**. The excess applies per event i.e. If **you** fall over and need medical treatment, and smashed **your** smart phone in the fall, the excess will be deducted once.

For *Overseas Medical*, the excess amount and benefits that the excess applies to are shown in the benefits tables pages 6-7.

For an **Overseas Travel Policy**, and for any **Upgrade**, the benefits that the excess applies to are shown in the benefits tables pages 8-11. The excess amount will be shown on **your Certificate of Insurance**.

Claim example: If **you** *made a claim for $2,500 under Benefit 2: Overseas Emergency Medical and Hospital Expenses,* **you** *did not activate an* **Overseas Travel Policy**, **you** *already paid the expenses and* **we** *approve* **your** *claim,* **we** *would deduct the $500 excess from the claim before* **we** *paid* **you**. *If, via* **our** *emergency assistance team,* **we** *approved a claim directly with an* **overseas** *medical provider,* **we** *may ask* **you** *to pay the $500 excess directly to the provider at the time or request* **you** *to pay it to* **us** *before* **we** *can finalise* **your** *claim with the provider. In any event, the total claim* **we** *pay is $2,000.*

For *Other Insurances* – the amount and covers that an excess applies to are:

- *Purchase Security* – **you** must pay the first $100 for each *claim, and*
- *Extended Warranty* – **you** must pay the first $100 for each claim.

In some circumstances where **you** have an **Upgrade**, **we** may impose an extra or increased excess for claims arising from **existing medical conditions**. **We** will inform **you** in writing if this applies. These will be set out in **your** Certificate of Insurance or in a letter from **our** medical assessment team.

2. Claims

- **You** must report the theft, wilful damage or accidental loss of **your business items**/property/**personal goods/valuables** to the police, the **transport provider** or accommodation provider as relevant within 7 days of **you** first becoming aware of the loss or theft. **You** should obtain a report confirming the incident to submit to **us** with **your** claim.
- **You** must take all reasonable steps to prevent or minimise a claim. This includes taking adequate and reasonable precautions to protect **your business items**/property/ **personal goods**.
- **You** must not make any offer, promise of payment, or admit any liability without **our** written consent. **We** or **our** emergency assistance team will not unreasonably withhold or delay **our** consent.
- **You** must advise **us** of any claim, or occurrence that may give rise to a claim, as soon as possible and within 60 days of the event or of returning **home** whichever is the latest.

- For *Price Guarantee* claims, **you** must advise **us** and claim within 30 days of purchase of the item that is the subject of the claim.
- If there is a delay in claim notification, or **you** do not provide sufficient detail for **us** to consider **your** claim, **we** can reduce any claim payable by the amount of prejudice **we** have suffered because of the delay.
- **You** must, at **your** own expense, supply any documents in support of **your** claim that **we** may request. This can include proof of **your** residential status and age, proof **you** are eligible for insurance cover (e.g. **your eligible debit card account** statement and World Debit Mastercard receipt to confirm **your** eligibility for the insurance), an original police report, **transport provider** report, a Property Irregularity Report (PIR), travel documents, receipts, valuations, a repair quote, a death certificate and/or medical certificate. If required **we** may ask **you** to translate into English any documents to enable **us** to assess **your** claim.
- For claims relating to a mobile phone or device with phone capabilities **you** must supply **us** with the IMEI (International Mobile Equipment Identity). **You** must block the IMEI number (by Australian telecommunication providers) of the stolen or lost mobile phone or device.
- **You** must co-operate fully in the assessment or investigation of **your** claim.
- Please take this booklet and any current **Certificate of Insurance you** hold with **you** when **you** travel (or make sure **you** can access them electronically). **You** must also take documents needed to verify **your** eligibility for this cover, such as copies of **your eligible debit card account** statement or World Debit Mastercard receipt.

  If **you** want to make a claim under the covers provided in *Overseas Medical* while **overseas, you** acknowledge and agree it will be necessary for the **Commonwealth Bank** or its agents to confirm to **us** or **our** agents that **you** are eligible for the cover as previously outlined. Without this information, a claim may be delayed and it may not be possible for **us** or **our** agents to give approval for **overseas** medical attention. Where, at **our** discretion, **we** honour a claim on the basis that **you** will, at a later date, provide proof to substantiate the claim and **you** are later unable to do so, **you** will be liable for any loss **we** have incurred on **your** behalf.
- When making a claim, **you** are responsible for assisting **us** and acting in an honest and truthful manner. If **you**, or anyone acting on **your** behalf, use fraudulent, false or exaggerated means to make a claim under this policy, **we** may not pay the claim in whole or in part. **You** acknowledge and agree that **we** may inform the **Commonwealth Bank** of the situation and **you** may no longer be eligible for any (or all) of the covers in this booklet or **your** debit card facility. **We** may also report **you** to the appropriate authorities and **you** may be prosecuted.

- If **we** agreed to pay a claim under **your** policy **we** will base any claim payment on the Goods and Services Tax (GST) inclusive costs (up to the relevant limits of liability). If **you** are entitled to claim an input tax credit in respect of a cost for which a claim is made, or would be entitled to an input tax credit if **you** were to incur the relevant cost (i.e. in replacing a lost or stolen item), the amount **we** would otherwise pay will be reduced by the amount of that input tax credit.
- If **you** are entitled to claim an input tax credit in respect of **your premium**, **you** must inform **us** of the amount of that input tax credit (as a percentage) at the time **you** first make a claim. If **you** fail to do so, **you** may have a liability for GST if **we** pay **you** an amount in respect of any of the covers provided.

3. Claims are payable in Australian dollars

All claims and amounts payable are paid in Australian dollars at the rate of exchange applicable at the time the expenses were incurred. **We** will pay **you** unless **you** tell **us** to pay someone else, except in the case of **your** death in which case **we** will pay **your** estate. Payment will be made by direct credit to an Australian bank account nominated by **you** unless otherwise agreed by **us**.

4. If you can claim from anyone else, we will only make up the difference

In the case that policy condition *6. Other insurance* (following) does not apply, if **you** can make a claim against someone in relation to a loss or expense in respect of any of the covers provided and they do not pay **you** the full amount of **your** claim, **we** will make up the difference. **You** must claim from them first.

5. You must help us to make any recoveries

We have the right to recover, from any other party in **your** name, money payable under the policy or to choose to defend any action brought against **you**. **You** must provide reasonable assistance to **us**.

We will apply any money **we** recover from someone else under a right of subrogation in the following order:

1. To **us**, **our** costs (administration and legal) arising from the recovery
2. To **us**, an amount equal to the amount that **we** paid to **you** in respect of any of the covers provided
3. To **you**, **your** uninsured loss (less **your** excess)
4. To **you**, **your** excess.

Once **we** pay **your** total loss, **we** will keep all money left over.

If **we** have paid **your** total loss and **you** receive a payment from someone else for that loss or damage, **you** must pay **us** the amount of that payment up to the amount of the claim **we** paid **you**.

If **we** pay **you** for lost or damaged property and **you** later recover the property or it is replaced by a third party, **you** must pay **us** the amount of the claim **we** paid **you**.

6. Other insurance

If **you** are insured, or entitled to receive a benefit or make a claim, under any other insurance policy in respect of the same loss as your claim under **our** covers, then:

- **you** must give us full details of the other insurance policy,
- to the extent permitted by law, **we** will not be liable to provide indemnity until the indemnity amount under any other policy is exhausted, or
- **we** may seek, from the other insurer, contribution for any amounts **we** have paid.

7. Subrogation

We may, at **our** discretion, undertake in **your** name and on **your** behalf, control and settlement of proceedings for **our** own benefit to recover compensation or secure indemnity from any party in respect of any of the covers provided.

You are to assist **us** and give **us** permission to do everything required to recover compensation or secure indemnity from other parties, to which **we** may become entitled or subrogated, upon **us** accepting **your** claim in respect of any of the covers provided. This is regardless of whether **we** have yet paid **your** claim, whether or not the amount **we** pay **you** is less than full compensation for **your** loss or whether **your** claim is paid under a non-indemnity or an indemnity clause.

8. Policy interpretation

All insurance covers will be interpreted in accordance with the law of New South Wales, Australia.

9. Emergency assistance

Where **your** claim is excluded or falls outside the coverage provided, the giving of emergency assistance will not in itself be an admission of liability.

Medical standards, sanitary conditions, reliability of telephone systems and facilities for urgent medical evacuations differ from country to country. Responsibility for any loss, medical complication or death resulting from any factor reasonably beyond **our** control cannot be accepted by **our** emergency assistance, the **Commonwealth Bank**, Cover-More or **us**.

If **your** trip involves travel to a country or part of a country the Australian Government on the smartraveller.gov.au website has issued a "Reconsider your need to travel" or "Do not travel" advice or warning, **we** may not be able to provide **you** with emergency assistance in that country. For example, in a case where **you** travel to a war zone the airspace may be closed which may prevent **us** from arranging emergency repatriation for a covered claim. This condition applies regardless of whether **your** claim relates to the advice or warning.

10. Sanctions

Notwithstanding any other terms, **we** shall not be deemed to provide coverage and will not make any payments nor provide any service or benefit to **you** or any other party to the extent that such cover, payment, service, benefit and/or activity of yours would expose **us**, **our** parent company or **our** ultimate controlling entity to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of Australia, New Zealand, the European Union, the United Kingdom, Switzerland, the United States of America or any other applicable trade or economic sanctions, law or regulation.

11. Maximum period of cover – extending your journey

You are only covered for incidents that occur in the **period of cover**.

If **you** find that **your** return to **Australia** has been delayed because of one or more of the following reasons, and **you** return **home** as soon as possible, **your period of cover** may be automatically extended at no extra cost:

- **Your** scheduled transport back to **Australia** is delayed for reasons beyond **your** control
- The delay is due to an event for which **you** can claim

If, for any other reason, other than as stated above, **your overseas** travel is for a period longer than the **period of cover**, **you** will not be covered after the end of that **period of cover** unless the **cardholder** has successfully applied for an **Upgrade**.

The **cardholder** will need to activate an **Overseas Travel Policy** and then apply for the **Extension of period of cover Upgrade**. See page 62 for details.

For each **journey you** can only activate one **Overseas Travel Policy**.

12. Special conditions and restrictions that apply for people aged 80 or over

Price Guarantee

Who is eligible?

Cardholders are eligible for *Price Guarantee* cover when the whole purchase price of a **personal good** is charged to the **cardholder's eligible debit card account** and the price difference is more than $75.

What is covered?

This cover refunds the **cardholder** the difference in price if, within 21 days of the purchase, they advise **us** that they have, subsequent to their purchase, received a printed or emailed catalogue showing the same **personal goods** for a lower price in a store within 25 kilometres of the store that the **personal goods** were purchased, and the price difference is greater than $75.

To make a claim, **you** must report the cheaper article and submit **your** claim to **us** within 30 days of the purchase of the item that is the subject of the claim.

The cheaper **personal goods** must be: the same model number, the same model year and produced by the same manufacturer as the **personal goods** purchased by **you**.

What is the cover limit?

Provided the price difference is greater than $75, **we** will refund the price difference up to a maximum amount of $500 for any one item, set or pair items (including attached and unattached accessories).

What is not covered?

This section does not cover **personal goods** purchased or advertised exclusively on the internet.

Purchase Security

This cover provides 90 consecutive days of cover (from the date of purchase) in the event of loss, theft or damage of a wide range of new **personal goods** purchased anywhere in the world, when the whole purchase price of those **personal goods** are charged to the **cardholder's eligible debit card account**. Cover limits and policy exclusions apply.

We do not cover **your business items** or **personal goods** under this benefit in any of the circumstances specified in **Overseas Travel Policy**, *Benefit 11: Baggage and Personal Goods* under '**We** will not pay for'.

If an item is damaged, lost or stolen **we** will pay **you** for the repair costs if it is practical and cost-effective to repair **your** item. If it is not practical and cost-effective to repair the item, **we** will replace the item or provide **you** with a replacement voucher. If the above do not apply, **we** will pay **you** the monetary value of the item. When **we** decide what to do, **we** will consider the circumstances of **your** claim and any preferences **you** may have. However, **we** will only pay **you** the monetary value of the item if it is not practical or cost-effective to repair or replace the item.

Where the item is part of a pair or set, **you** will receive no more than the value of the particular part or parts lost, stolen or damaged, regardless of any special value that the item may have by way of being part of such pair or set. **Our** payment will not be more than the amount **you** paid for the item.

Terms and conditions

1. This cover provides automatic insurance protection for new **personal goods** when their purchase is charged to the **cardholder's eligible debit card** unless the **personal goods** and/or claims are excluded by the policy's terms and conditions, or the **cardholder** fails to comply with the policy conditions in this booklet. For the avoidance of doubt, **personal goods** being purchased by instalment payments (e.g. mobile phone contracts) are not covered until the final payment is made.
2. Cover extends to permanent Australian residents who receive the new **personal goods** as a gift from a **cardholder** who has purchased the **personal goods** in accordance with point 1 above. For the purpose of this cover, these persons are also referred to as **cardholder** or **cardholders**.
3. The **personal goods** are insured anywhere in the world for 90 consecutive days from the date of purchase in the event of loss, theft or damage. However, there is no cover until **you** have taken possession of the **personal goods**.
4. An excess of $100 applies. See Policy conditions, 1. Excess – what you contribute to your claim on page 16 for details.

What are the cover limits?

We will pay the lesser of:

- the actual amount which has been charged to the **cardholder's eligible debit card** to purchase the **personal goods**, or
- $3,000 per claim in respect of jewellery, watches and fine arts.

up to a maximum of $125,000 in any 12 month period in respect of any one **eligible debit card account**.

Extended Warranty

The purpose of the cover is to extend the manufacturer's expressed written Australian warranty on **personal goods** (the warranty that is applicable and able to be fulfilled within Australia). This is provided the purchase is charged to the **cardholder's eligible debit card account**.

The **personal goods** may come with guarantees from the seller and/or the manufacturer that cannot be excluded under the Australian Consumer Law or other relevant law and that may entitle **you** to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. **You** may also be entitled to have the goods repaired or replaced, if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

This *Extended Warranty* operates alongside, and in addition to, and does not change or take away any rights **you** may have under, the Australian Consumer Law in relation to **your personal goods**. However, **you** can choose to make a claim under this cover even if **you** have rights under the law.

Terms and conditions

1. The cover provided by this *Extended Warranty* in respect of **personal goods** purchased comes into effect at the end of the Australian warranty period that applies to those **personal goods** and covers the cost to repair or replace the **personal goods**.
2. This *Extended Warranty* period will be for a duration equivalent to the Australian warranty period, up to a maximum of one full year, and does not apply if the Australian warranty exceeds five years.

The table below sets out examples of how extended warranty periods apply:

Australian warranty period	Extended warranty period
7 days	7 days
14 days	14 days
1 month	1 month
6 months	6 months
1 to 5 years	1 year
Over 5 years	No cover

3. Only covered breakdowns are eligible for *Extended Warranty*. A covered breakdown means the failure of **personal goods** to operate for the purpose for which they were designed as a result of a breakdown or defect, provided the breakdown or defect is covered by the terms of the Australian warranty.
4. **You** must take all reasonable care to protect and maintain the **personal goods** insured under this cover.
5. If a claim is to be paid under this cover, **you** must obtain approval from **us** prior to proceeding with any repairs or replacement of the **personal goods**, which have broken down, or are defective. **You** must also retain the **personal goods** or parts for **our** inspection.
6. An excess of $100 applies. See Policy conditions, 1. Excess – what you contribute to your claim on page 16 for details.

What are the cover limits?

Our liability for claims made under this cover shall not exceed the actual purchase price of the **personal goods** charged to the **eligible debit card**, up to a maximum of $30,000 in any 12 month period in respect of any one **eligible debit card account.**

About the Group Policy

The **Group Policy** is a contract of insurance between **us** and the **Commonwealth Bank** who is the insured entity under the policy.

Access to benefits under the **Group Policy** is provided to **cardholders** solely by operation of section 48 of the *Insurance Contracts Act 1984*.

Cardholders do not enter into any agreement with **us** and cannot vary or cancel the **Group Policy**, as they are not the contracting insured. If **we** or the **Commonwealth Bank** cancel or vary the **Group Policy**, neither **we** or the **Commonwealth Bank** need to obtain consent to do so.

We do not provide any notices to **cardholders**. **We** only send notices to the **Commonwealth Bank** (to whom **we** have contractual obligations).

You are not obliged to accept any of the cover benefits, but if **you** wish to make a claim under the **Group Policy** then **you** have the same obligations to **us** as the **Commonwealth Bank** in accordance with the *Insurance Contracts Act*. **We** have the same rights regarding **cardholders** as **we** have regarding the **Commonwealth Bank**.

Neither **we** nor the **Commonwealth Bank** hold anything in trust, for the benefit of, or on **your** behalf under the **Group Policy**.

The **Commonwealth Bank** does not act on **our** behalf or on **your** behalf in relation to the insurance.

Any person who may be eligible should consider obtaining advice as to whether the benefits are appropriate or useful for their needs, from a person who is licensed to give such advice. No advice is provided by **us**, **our** representatives or the **Commonwealth Bank** that this insurance is appropriate or useful for any person's needs. Nothing prevents such persons from entering into other insurance arrangements.

Termination of the Group Policy

The **Commonwealth Bank** may terminate or vary the **Group Policy** at any time. If this happens, the **Commonwealth Bank** will:

- give the **cardholder** written notice of the variation or termination, or
- advise the **cardholder** that a variation or termination will occur.

In these circumstances, the **Commonwealth Bank** will not provide the **cardholder** with a copy of the actual changes made to the cover. The **Commonwealth Bank** will direct the **cardholder** to the relevant website URL for the details of the variation or termination and inform the **cardholder** that they can call the **Commonwealth Bank** to request that a copy of the actual changes is sent to the **cardholder** by post or email.

Purchases made in accordance with the existing **Included Cover** before the **Group Policy** is varied or terminated will still be eligible for that cover. Any purchases made after the variation or termination of the **Group Policy** will not be eligible for the existing cover.

Conduct of others

When a claim involves a loss that is not covered by this policy due to the actions of someone insured under this policy, we may consider certain circumstances such as those following and provide assistance at our discretion.

Examples of certain circumstances include mental illness, an act of coercion, intimidation or violence by another policyholder or person entitled to benefit under this policy.

In such cases, you or any other person covered by this policy can contact us for assistance.

This assistance may include making a payment to you or repairing or replacing an item even though there is no legal obligation to do so and subject in any case to a maximum of the applicable policy limits available.

We aim to approach each situation with sensitivity and fairness, and to act reasonably in the circumstances.

This clause does not form part of the terms and conditions, confer any contractual or other rights.

Cancelling your policy

The cover provided under an **Overseas Travel Policy** or any **Upgrades** can be cancelled by the **cardholder** at any time.

If the **cardholder** cancels their **Overseas Travel Policy**, any **Upgrades** bought by the **cardholder** will also be cancelled at the same time.

For **Upgrades** cancelled within a cooling-off period of 21 days after **you** are issued **your Certificate of Insurance**, **you** will be given a full refund of the premium **you** paid, provided **you** have not started **your journey** or **you** do not want to make a claim.

After this period **you** can still cancel **your** cover. **We** will refund to **you** a proportion of the premium for the unexpired period of cover (less any non-refundable government charges and taxes that **we** have paid and are not recoverable). **You** are not entitled to a refund if **you** have started **your** journey, **you** want to make a claim, or exercise any other right under **your** cover.

To cancel **your** cover please contact Cover-More by phone 1300 467 951 or email commbank@covermore.com.au.
